TEACHER QUESTIONNAIRE

Thank you for taking the time and effort to complete the following questionnaire. The information you provide will help me gain insight into my work with this child and family. As you fill out the form, keep in mind that it would be helpful to me if you share specific examples about events or instances that come to mind regarding this student. The questions below are not necessarily all inclusive, so please feel free to add additional information you see fit.

Name of Student:	Grade:
Name of Teacher:	
Name of School:	
How does this student perform academically?	
What are this student's academic strengths and difficulties?	
How does he/she respond to academic successes and failures?	
Is he/she performing to his/her capabilities? Why, why not?	

Kristen Cheesman, LMFT, CFI

Has there been any change in academic performance? Describe.
Describe this student's behavior in class, including attitude, class participation, etc.
Describe this student's social adjustment in terms of friendships, social initiative, response to group situations, peer pressure, etc.
How does this student relate to you and other adults?
What do you appreciate most about this student? Least?
Does this student arrive to school on time? Seem well nourished? Well rested? Healthy? Appropriately dressed? Proper hygiene?
